music student of the month

Ethan Moss

Violin player, 11th grade Strings

Ethan Moss has played the violin for seven years, and last year, he received a tremendous gift. A generous music patron paid for an outstanding violin and bow that Ethan could take with him through life.

Ethan says that although he doesn't consider himself to be a morning person, participating in the Strings program in zero-hour before school is a fun way to start the day. "When you're a musician, you can appreciate music more and recognize good musicians."

Mrs. Wright says, "Ethan is the calm and collected leader that I need. And there are times when his sense of humor breaks out ever so quietly and just makes me laugh out loud. I am so happy to have Ethan in my classroom."

Ethan says of OISD Strings Director, Pamela Wright, "She's helped me all these years to be my best." His advice to beginning musicians is both practical and humble, "Stick with it, because after seven years, I'm kinda decent now."

Congratulations to Ethan Moss,
September 2022 Music Student of the Month!
