

Music Student of the Month

Tom Malo

Tuba, 9th grade Band

Tom Malo is the Freshman Class President, a cross-country runner, and high school tuba player. He says that practicing musical rhythms helps him keep a steady pace when running. Tom played trumpet for 2 years, downshifted to baritone for 2 years, and then turned up the bass even further to play the tuba. He likes the deep sound.

Band Director, Darren Dix, says, "Tom has already shown great progress this year as he joins the HS band on tuba. Tom is always willing to help and has a great attitude. Keep it up!"

With a tremendous smile, Tom says, "Mr. Dix is lots of fun. I'm happy to see him in the morning, glad to have Band for my first class."

Tom will march with the High School Band in the Homecoming parade. He invites the community to come enjoy the parade, music, and festivities at the Village Green starting at 3:30pm on Fri, Oct 13.

Congratulations to Tom Malo,
September 2023 Music Student of the Month!
