

Music Student of the Month

Edwin Gonzalez

Alto Saxophone, 8th Grade Band

Since grade six, Edwin wanted to play the alto saxophone, and he is delighted to be doing exactly that in the Orcas Island School band program. He enjoys the different genres of music that the band gets to learn, and his favorite is jazz. Edwin says, "I like having band at the end of the day because playing music calms me down."

Band Director, Darren Dix, says, "Edwin has been a great leader so far this year - he continues to improve his playing skills, has a great attitude, and he gets things done." Edwin describes Mr. Dix as cool and kind at the same time.

Please come hear Edwin and his band colleagues perform at the winter concert in the Orcas Island High School gym on Thurs, Dec 7 at 7pm.

Congratulations to Edwin Gonzalez,
November 2023 Music Student of the Month!
