

Music Student of the Month

Angelo Vaccarella

Trumpet, 10th Grade Band

Angelo says that he chose the trumpet five years ago partly because the trumpet usually plays the melody, or lead, part. Band Director, Darren Dix, says, "Angelo has made excellent progress this year, and continues to be an enthusiastic student. He is always willing to help out, and he embodies the role of a leader in the band."

Angelo is excited that the Band is preparing to compete in a Solo & Ensemble competition on the mainland. He explains, "You choose a solo or an ensemble group, and perform music in front of judges, who give you feedback and a performance score. The competitions are great because you get tips to improve your playing." If you score very well, then you have the opportunity to compete at the state level.

"I like Band a lot because it's really fun. Mr. Dix gives useful, specific feedback, which helps me perform better, which makes it even more fun."

Congratulations to Angelo Vaccarella,
