

Music Student of the Month

Ashley Conejo Medina

Violin, 9th Grade Strings

Ashley Conejo Medina, 9th grade violinist, has been playing violin since 5th grade and shows no signs of stopping. "It's a little challenging," she says, "but once you get the hang of it, you get excited to play. Plus, it's nice to share the connection with everyone else, to express yourself!" According to instructor Pamela Wright, "Ashley has impressed me by pushing herself to constantly do better. I can tell that her violin is very important to her which is why she works so hard. She's a joy to have in our ensemble!" Ashley is also a member of the school's newest musical offering, Mariachi Band, saying it's part of her culture and now she gets to celebrate it. She hopes to be able to teach music to somebody else someday. "I feel like not enough other students get an opportunity to learn an instrument. I hope people will just try it. For me it was hard at first, then I realized I could really enjoy it."

Congratulations to Ashley Conejo Medina,
November 2024 Music Student of the Month!
